Subject Draft Subpart W Preamble and Rule Language

All,

Attached for your review is the revised Subpart W preamble and rule language. The revisions reflect the discussion we had on Wednesday regarding (b)(5) - Deliberative Process Privilege

(b)(5) - Deliberative Process Privilege

you will see original language we are removing with a double strikeout, and new language inserted in red.

(b)(5) - Deliberative Process Privilege, I have sent comments from Barry (thank you) to our contractor. We are also receiving help from OAQPS to make sure we have what is needed in that section.

I'll be scheduling a workgroup meeting for later next week for any comments you may have. Thanks again for your support.
